Chorus Fees Worksheet

Student Name: _____

Choir Class (circle all that apply):
Ladies' Choir Men's Choir Belles Voix Advanced Women Concert Choir

On ***Friday, September 16***, all fundraiser orders, 1st semester PFC payments, and uniform fees are due. The syllabus was provided to all students the first week of school. It outlines these costs, and a parent's signature was required on the acknowledgment form during the first week. Both of these documents can be found online at boonechorus.com.

What do I owe?

1. A first semester **$25 PFC** (or fair share). You may choose to fundraise/pay the second semester $25 PFC now as well.

2. Uniform purchase or rental costs: _____
   a. This year, all students who need a Boone Chorus uniform have the option of renting it for $30/year or purchasing it for $65.
   b. Men in Concert Choir will be allowed to borrow a tux coat at no charge. If you wish to purchase one, the cost is $65.

How to pay these fees:
It's *easy* to raise these funds through our TWO fall fundraisers. For example, selling one small ad pays your for $25 first semester PFC. Selling one more small ad pays for your second semester $25 PFC. Any more money you raise beyond that will go towards your uniform rental/purchase. Selling tickets to Acoustic Night for $3/each is our second fundraiser, and all profits go towards the students' uniform and then PFC costs.

If you don't use the fundraiser to pay all your chorus fees, you are welcome to pay the remaining balance by cash, check to Boone High School, or online at schoolpay.com.

Important:
No student will be excluded from chorus due to financial difficulties. Our fundraisers are very user-friendly and require little additional time. Please make this a priority, and do not hesitate to speak with us about personal circumstances. We are happy to work with all families.

Questions or concerns?
If you have any questions or want to make special arrangements for payment, please email one of us directly, *before* the deadline.
