Dear Boone Chorus Supporters,

The chorus department at Boone High School is preparing for the amazing season ahead and is in search of sponsors to help our young artists create outstanding choral experiences. We hope to help build and support businesses in our community while raising funds for our program.

The Chorus Department is currently selling printed advertising space for our 2016-2017 season and **we would like to give you the opportunity to support Boone High School Chorus and promote your business at the same time.** Advertisements will be printed in a concert program reaching thousands of community members at our biggest performances. If you select the sponsorship option, your business name will be printed on the first page of the concert program. Ad space can be used as business advertisements, personal ads to individual performers, or a way to promote a club or organization.

If you plan to support Boone Chorus, please fill out the enclosed order form and submit your artwork by sending it to adbook@boonechorus.com. All common image formats accepted. You may include a scanned business card so that we can include your contact information, but any logos or artwork should be of high image quality so that it looks great when printed. **All submissions MUST be received by September 16.** If you need more time, please make contact before the deadline so we can work something out.

Thank you for your consideration and support of the arts in the Boone community!

Sincerely,

Mr. Jussi Doherty
Choral Director
