

# **BOONE SOLO & ENSEMBLE INFO**

## **Feb 8-9 @ Colonial High School**

**Arrival time:** Please arrive at Colonial High School early and be warmed up when you see me. You need time to find your judges' room, get warmed up, use the restroom, etc. Since they don't release specific room numbers ahead of time, look for signs or ask around to find your judge's room.

**What to wear:** I expect students to arrive dressed as if you were going to a *professional job interview*. The rule is BE CONSERVATIVE. Boys should wear a suit or shirt and tie with slacks and dress shoes, and girls should wear a dress or other formal attire with a modest hemline and neckline. No tuxedos or prom dresses, please.

**What to bring:**

\*\*You must have two ORIGINAL copies of the books your songs came from. If you are in my vocal tech class, we will discuss this and organize the books together in class for this event. If you have a private voice teacher, then I have attempted to contact each of you about what you need. However, YOU are responsible for making SURE that I have this information and that it is correct. I am a very organized person, so please confirm with me what you need. If you fail to confirm what you need, then we may not have original copies for you. No original copies at your performance = disqualification.

\*\*A few bucks for snacks at the concession stand (optional)

**Warm-up:** Vocalize before you arrive since there isn't time for a group warm-up.

**Etiquette:**

- Before you sing, please introduce yourself with the following information—first and last name, age, grade, how many times you have done S&E before, and then your song titles and composers.
- Unless it's extremely disruptive, personally thank your judge, accompanist, and teacher afterwards.
- Turn off your cell phone, act like you're happy to be there, watch and listen to the other performers and the judge when they are speaking. It is appropriate to clap for each performer!
- Enter or exit the room with the group. It is extremely rude to be moving or opening the door while someone is singing. If you bring family, please explain this to them too!
- Video recording your performance is ok as long as it's not disruptive. No flash photography.

**How long to stay:** Students are expected to stay for all the performances in their assigned group. Sometimes, this tightly scheduled event starts to run late. **Be prepared to stay longer than this schedule indicates.**

**See schedule attached. Be prepared to stay for the entire time indicated.  
It is my expectation that you be in the audience for all the other Boone students who are assigned to the same room as you during the same time frame.**

**Address:** Colonial High School, 6100 Oleander Drive, Orlando, FL 32807

**Driving Directions:** From Boone, go east on Curry Ford (or the 408 if you prefer). When you reach Semoran, turn left/north. When you reach Oleander Drive, turn right. You will find CHS at the end of the street. There may be signs for FVA or Solo & Ensemble that you can follow.

**Families encouraged to attend:** Students are encouraged to bring close family members or friends to this performance to be part of your audience. Remember that this is an evaluation, not a concert—so make sure your guests understand. Video is fine, but no flash photography!

**Contact me:** If you have any problems that day, text me at 407-883-1794. Keep in mind that I will be in a room watching my students perform that day, so you may need to call/text someone else from Boone if you need immediate help. Let me know if you have questions.
