How does this affect my chorus grade?

Concerts are worth **40%** of your grade. The majority of points are earned by, but not limited to, being present, arriving on time, wearing uniform properly, participating positively and fully, and exhibiting appropriate audience behavior.

What if I miss the concert?

The following paragraph summarizes the concert attendance policy from the chorus handbook: *Please think of your chorus concert as a "final exam" of sorts, where you display all that you have learned over the past grading period. A calendar of performances was provided in the first week of school. You have no excuse for not knowing a date of a concert. Membership in chorus requires attendance outside of the regular school day. If you know that you have a conflict with a concert date, a signed note from a parent or guardian should be received at least three weeks in advance of the concert date. If you have a last-minute emergency and cannot attend, students are expected to contact the directors before the concert occurs, if possible. In addition, students will need to provide a reason IN WRITING from a parent or guardian if a concert is missed. If the situation warrants an excused absence from the concert, students will receive a concert makeup assignment.*
