

Gift Card Delivery Info

All money is due Friday, October 3

Any funds not collected will be counted as a financial obligation.

Gift cards from our recent “59 minute fundraiser” have arrived! That means that students will now sign out the gift cards they sold over the phone, deliver the gift cards, and collect the money owed.

Payments accepted

We accept CASH or CHECKS made payable to Boone High School. Please put all money in an envelope clearly labeled with the student’s name, period, and amount included.

Out of town customers

In the case of out of town customers, we ask that you let them know that **you** are paying for it on their behalf and that they will be reimbursing **you** directly instead of paying the school. This way we can meet our important payment deadline. Then, you can either mail them their gift card, or open it and simply tell or text the code to them. Just make sure you get their permission first!

What to do if...

Your customer has changed their mind. What do you do? If your customer absolutely cannot meet their commitment, we ask that you try to sell those gift cards to someone else within the time frame. Please help us reach our fundraising goals.

How much money did I raise?

Each \$20 gift card you sell earns \$8 towards your uniform or PFC (aka fair share).
For example, if you sold 4 cards, your profit is \$32. In that case, you would only owe \$33 for your uniform. ☺ Remember that uniforms cost \$65 and the PFC is \$75.

When is my uniform money due?

Please pay what you still owe for your uniform when you turn in the money for this fundraiser. If you raised more than \$65, then you owe nothing! If you raised less than \$65, please send cash or check by Friday, October 3.

You should have already received:

- ⇒ The original order form called “Gift Card Sales” so you know who committed to buying gift cards from you.
- ⇒ The gift cards for your customers
- ⇒ This letter

Thank you VERY MUCH for your support of our fundraiser! If you have questions or concerns, please don’t hesitate to contact us using the contact info below.
