

Boone Chorus - Welch's Fruit Snacks Fundraiser

All money due by Feb 2 (Groundhog Day)

Dear Parents and Students:

Boone Chorus will be conducting our Welch's Fruit Snacks fundraiser now through February 2. The money raised will be used for music, accompanists, special guests, field trips and other great opportunities for our choir program. Things such as the Spring Showcase, State Music Performance Assessment, student scholarships, and classroom supplies are examples of what was purchased last year. All of these projects depend *completely* on these funds.

Please help your student with our campaign. Please sell to friends, family, neighbors, and people at work. Our profit goal is \$4500.

This fundraiser is easy and stress-free. We appreciate your help in making this fundraiser a success!

1. You are responsible for each box checked out, even if lost or stolen.
2. Bags of Welch's Fruit Snacks are sold for \$1 and there are 54 bags per box. The profit raised from one carrier (box) covers your student's second semester PFC (\$25). You're welcome to sell additional candy to cover any remaining balance.
3. \$54 per box is due on February 2. Partial payments cannot not be accepted. After tax, the student gets 50% profit (\$25) placed in their student "account" or where needed most.
4. ***If at all possible, make one check to the school. This makes the money counting process much easier and quicker.***

Tips:

1. Collect \$1 for each item sold.
2. Label the box with your student's name and "Boone Chorus"
3. Remind your student NOT to leave their box or money unattended.
4. Students are allowed and encouraged to sell at school, EXCEPT in the cafeteria.
5. Students may take additional time to finish selling their box, however, the full payment for the box is still due on **February 2**. So, there's no way for you to lose money on this.

January 5-6 we sent home a balance note with a payment deadline of January 18. If you did not submit cash, check or School Pay payment by that date, we are expecting your student to participate in this fundraiser to pay off his or her balance. If you have questions about this, please contact your student's director at Abigail.Noble@ocps.net or Jussi.Doherty@ocps.net.

**I understand the nature of this fundraiser and agree to the terms mentioned above. I will submit payment for the box on or before February 2.*
