Dear chorus parents and students,

December is a busy month for chorus every year, and this year is no exception. To help keep everyone's schedules in order, please see the calendar on the back of this letter and transfer them to your personal calendars as appropriate. These events are all in our Google calendar (boonechorus.com/cal), where you can view or add events to your digital device with a couple clicks.

What's the difference between the Winter Chorus Concert and the Holiday Pops Concert?

This year, one of our goals is to collaborate with the band and orchestra programs in our performances. This is a great experience for the students and for our audiences! We have 19 music groups in the music department, which is far too much for one concert. So, we will have our own chorus winter concert featuring all of the choirs, and we will also hold a special Holiday Pops Concert (\$10 admission) that features all choirs, Wind Ensemble, & Advanced Orchestra. We hope you will be able to attend both performances! Details are below.

<p>Chorus Winter Concert Thursday, December 14, 2017 Features ALL choirs Call time is 5:30pm - Concert is 7pm *This concert is FREE and open to the public</p>	<p>Holiday Pops Concert Saturday, December 16, 2017 Features ALL choirs, Wind Ensemble, & Advanced Orchestra Call time is 2:00pm - Concert is 3:00pm *This concert is \$10 per ticket</p>
