

Concert Choir sings at Disney's BoardWalk

Congratulations! Our students have been invited to sing at the Walt Disney World Resorts during the holiday season. We auditioned for these coveted spots and we are happy to report Boone's Concert Choir was selected. This will be a wonderful highlight of the holiday season.

- Students will receive 2 one-day, one-park Disney tickets for their performances.
- These performances cannot occur unless we have parent drivers for the event. Parents, we highly encourage you to offer to chaperone/drive. It is a great performance space, a ton of fun, and we cannot do these performances without your driving skills. ☺

Transportation: We will be traveling in personal cars. There can be **no student drivers**.

When: Monday, December 18, 2017

- MEET in the Boone visitor parking lot at 5:00pm. Please allow a minimum of 45 minutes driving time. With traffic, it can easily take an hour.
- Due to strict security guidelines at the Walt Disney Resort, guest performing groups are asked to bring only essential personnel and vehicles for this performance.
- Have your **photo ID** available as you arrive at the security booth.
- Park in **main parking** and meet CC outside of the hotel lobby near the valet service.
- Arrive at Disney's Boardwalk Resort by 5:45pm.
- We perform at 7pm and 8pm on the Boardwalk Village Green and Porch.
- We will be done performing by 8:30pm.
- Please return the attached permission slip and release form by the deadline listed on page 2. You can email me with any questions at Jussi.Doherty@ocps.net.
