About the Freedom High School Guitar Program:

The Freedom High School Guitar Program has grown to become one of the largest Performing Arts electives offered with over 200 students enrolled in five Guitar I classes, one Guitar II class and an audition only performing class that serves as our top Guitar Ensemble. The program encompasses yearlong accredited classes that meet one period every day during the school day. Students who successfully complete a guitar class receive one credit and also fulfill the Performing Arts elective required for graduation.

In January 2011 Mr. Perez and the FHS Guitar Ensemble will be presenting a clinic session for the Florida Music Educators Association All-State Music Conference in Tampa, FL. Mr. Perez' topic for the session is titled "*For the Non Guitarist Teacher: Building Your Guitar Ensemble Library*" and will feature the FHS Guitar Ensemble as a demonstration music ensemble to perform selected literature for the session.

Working with the Freedom High School Guitar Ensemble, we have enjoyed clinics from nationally renowned Central Florida Guitar Professors including Dr. Stephen Robinson from Stetson University, Dr. Troy Gifford from Valencia Community College and Dr. Eladio Scharrón from the University of Central Florida.
