About the Freedom High School Guitar Program:

For the 2011-12 year, the Freedom High School Guitar Program is one of the largest and most popular Performing Arts electives offered with over 170 students enrolled in one Guitar I class, one Guitar II class and three audition only performing classes that make up our *Intermediate Guitar Ensemble, Advanced Guitar Ensemble* and *Advanced Guitar Orchestra*. The program encompasses yearlong accredited classes that meet one period every day during the school day. Students who successfully complete a guitar class receive one credit and also fulfill the Performing Arts elective required for graduation.

We have enjoyed clinics from nationally renowned Guitar Professors to work with our students. They include Dr. Stephen Robinson from Stetson University, Dr. Troy Gifford from Valencia Community College, Dr. Eladio Scharrón from University of Central Florida, Bobby Koelble from the University of Central Florida/Rollins College, Rex Willis from Florida State College and Harris Becker from Long Island University, NY.

We are pleased and very excited to announce that the Advanced Guitar Orchestra is invited to perform in concert at the 21st Annual Long Island Guitar Festival in New York for March 2013. This is a prestigious international guitar festival and the FHS Guitar Program is proud to perform for this event.

Thank you for attending this evening. We hope you may attend future performances of our Freedom High School Guitar Ensembles in the 2012-2013 school year.
