About the Freedom High School Guitar Program:

The Freedom High School Guitar Program has grown to become one of the largest Performing Arts electives offered with over 190 students enrolled in three Guitar I classes, and three performing ensembles that serve as our FHS Guitar Ensembles. The program encompasses yearlong accredited classes that meet one period every day during the school day. Students who successfully complete a guitar class receive one credit and also fulfill the Performing Arts elective required for graduation.

In January 2013 FHS Guitar Orchestra will be presenting a concert performance for the 2013 Florida Music Educators Association All-State Music Conference in Tampa, FL. Also, in March 2013, the Guitar Orchestra will travel to New York to perform in concert as part of the Long Island Guitar Festival. Very few high school ensembles receive this honor and the FHS Guitar Orchestra is very proud to performing in these national and international events.

Working with the Freedom High School Guitar Ensemble, we have enjoyed clinics from nationally renowned Central Florida Guitar Professors including Dr. Stephen Robinson from Stetson University, Rex Willis from State College of Florida, Dr. Eladio Scharrón from the University of Central Florida, and Harris Becker from Long Island University.

We hope you can attend future performances of the Freedom High School Guitar Ensemble for the 2012-2013 school year:

NOTE: To ensure an enjoyable concert experience for all, please refrain from talking, entering or exiting while musicians are performing. Food and drink are prohibited in the Performing Arts Center. Please turn off cell phones and other electronic devices. Thank you for your cooperation.
