About the Freedom High School Guitar Program:

The Freedom High School Guitar Program has grown to become one of the largest Performing Arts electives offered with over 190 students enrolled in three Guitar I classes, and three performing ensembles that serve as our FHS Guitar Ensembles. With incredible musical growth and capitalizing on many performance opportunities, the FHS Guitar Program is now recognized as part of the international guitar community.

Next school year, plans are in place for our students and ensembles to closely work in clinics and master classes with high profile teachers and concert artists to include Dr. Stephen Robinson from Stetson University, William Kanengiser of the Los Angeles Guitar Quartet/University of Southern California, Christopher Gotzen-Berg of Molloy College, New York and Harris Becker from Long Island University, New York.

Please also note our guitar related events in the next several weeks:

- Spring Guitar Concert #2 - featuring The FHS Guitar Orchestra and guest Soloist Dr. Stephen Robinson, Stetson University - Thursday, May 16, 2013 7:00pm in the FHS Performing Arts Center
- Guitar Banquet – All FHS Guitar Ensemble students, friends and families are invited for dinner and to celebrate a successful year. Friday, May 17, 2013 – 6:00pm in the FHS Cafeteria

NOTE: To ensure an enjoyable concert experience for all, please refrain from talking, entering or exiting while musicians are performing. Food and drink are prohibited in the Performing Arts Center. Please turn off cell phones and other electronic devices. Thank you for your cooperation.
