Teacher: Mr. Chris Perez

Room: 434

Performing Arts Department Vision: To provide to all students, exceptional performance engagement experiences in the creative arts.

Course Overview: The goals of all FHS Guitar Ensembles are for the student to develop and apply more advanced techniques of guitar performance, learn about the development and history of guitar, perform solo and ensemble repertoire, and apply music theory.

Technology Standards:

MU.912.F.1.1: Analyze and evaluate the effect of "traditional" and contemporary technologies on the development of music.

MU.912.F.1.2: Incorporate or adapt new, emerging, or previously unfamiliar technology to create an innovative composition, music project, or related product.

CANVAS and fhsguitar.net:

Playing proficiencies, concert, performance and rehearsal dates will be published to Canvas. Students will post and track classroom assignments, projects and assessments to Canvas as their planning device for all academics. Concerts, performances and rehearsal dates are listed in this syllabus and also will be published to <https://www.fhsguitar.net>

Required Materials: PENCILS w/ erasers (**No Pens!**) Folder (provided)
Scale sheets/Warm-up manuals (provided) Solo/Ensemble Music (provided)

Highly Recommended Optional Materials: A Classical Guitar (for home practice/school use until the Covid Pandemic is abated – see the next page for Mr. Perez’ recommendations on what and where to purchase); a metronome/tuner (the *SHAR STM501 Clip Metro-Tuner* or the *Snark Super Tight All Instrument Tuner* are good ones for between \$15-\$25). If you have a smart phone, there are several

metronome and tuner apps you can get for free or purchase. For students owning a guitar, you also need to purchase a 3-in-1 string winding tool and also several sets of strings.

COVID-19 and Instrument Sharing Guidelines:

Using current COVID-19 Pandemic recommendations from the CDC, NFHS, NAFME and the NAMM Foundation, we are able to share our class set of 35 guitars, provided students using school equipment properly clean and sanitize hands prior to each class period.

We currently have six (6) periods of guitar. Instruments will be assigned to individual students for each class period. I do not have enough individual instruments for all 160 students enrolled in the FHS Guitar Program. I highly recommend all students purchase their own guitar, for use/practice at home and at school.

Guitar Purchase Recommendations:

You may go to the link attached pictures below to purchase an entry level guitar for either home use (LaunchEd students) or Face to Face students (you will need a bag so you can take the guitar home to practice).

Other rehearsal and performance opportunities may be added to our calendar at the discretion of Mr. Perez including several in-school field trips to rehearse with college professors, and off campus to perform/work with other guitar programs, and performing in our community. Students will be notified at least two weeks prior each added event. An unexcused absence from each and any rehearsal and performance commitment will result in the lowering of a letter grade during the grading period from which the performance was held. Please contact Mr. Perez if there are any questions or conflicts at least two weeks prior to a performance.

Performance Attire: Performance dress for men and ladies will include one of two forms:

- **Concert Black** will be plain black shirt with no lettering or designs (long or short sleeves will be fine), black shoes, plain black pants (no jeans), and black socks.
- **Relaxed Informal** will be our FHS Guitar Shirt, blue jeans and gym shoes.

Emergency Treatment Form/Additions/Model Release Form: Since we are performing off campus this year, all parents must fill out and students turn in the OCPS Emergency Treatment Form. This form will allow your child to receive medical attention in case of an emergency. Given the FHS Guitar Program have received much publicity over the past several years, students and parents need to fill out the OCPS Model Release Form. Both sheets are due to Mr. Perez by **Friday, August 31, 2022!** We also need parents to become additions volunteers to help chaperone the different field trips planned. It takes an average of three to four weeks for the county to do background checks for all potential chaperones. To apply, please go online at: <https://ocps.samaritan.com/custom/503/index.php?redirectedFromHttp>.

Extra Credit: Extra credit may be obtained by:

- Participating in approved recitals/concerts
- Attending and turning in a program from an approved performance **AND** writing a response/review of the performance

You can receive up to 50 points each (one per quarter) and up to 200 points total for the whole year. Points awarded will be based on relevance and quality of written response of the performance. Points will be applied to the portion of your grade it affects the most. Points may not be applied to semester or final exams. Extra Credit will not be awarded to students enrolled in another Freedom High School Performing Arts Ensemble where attending and performing are a required part of the curriculum.

Guitar Storage: Guitars maybe stored in an assigned area of Room 434 during the day. You may bring your guitar down in the morning AFTER 7:00 am. The room will be unlocked during the day when Mr. Perez is in the classroom and locked after school when he leaves.

Music: You are responsible for the music and folio that is given to you. If you are unable to return originals in good condition you will be charged for the replacement.

Student Conduct: Students will be held responsible while using school property as stated in the OCPS Code of Student Conduct. This includes damage to any guitars, cases, chairs, stands and other related equipment in the Guitar Room. Students will complete an Instrument Condition Use Form. Students not taking good care in using assigned school equipment and related materials, will result in paying restitution for damages incurred (including repair or replacement), will include parental contact and administrative referral and may lose the privilege of using a school assigned instrument.
