

Reflection Practice: Examples from Literature & Pop-Culture

In each box, type 1-3 **fictional** examples of the challenge element. Put yourself in the position of characters from literature, comic books, video games (non-violent), cartoons, movies, songs, etc.

Judgment

Phineas: "I really think we did great on this because Candace almost didn't tell mom!"

Other Perspectives

Minion: "Yesterday Dave must have been so scared! That missile that I dropped almost crushed him! I hope he felt better after I gave him that apology banana."

Lessons Learned

Steve (the guy from Minecraft) "I truly will remember to bring an iron pickax in case I find diamonds. The other day I was mining for iron and I found diamonds! But it was all gone after I mined it with my stone pickax. I will never lose diamonds to a stone pickax ever again."
