Thanksgiving Thinking Challenge: Cover Page

~ Before you begin, please read the tasks and set a goal.

My goal is to complete _____ centers in the time I have available.

~ You'll have 15 minutes at each center. If you need to stay for extra time in order to finish, that's OK, but you'll need to stay for a whole rotation, (another 15 minutes).

~ Each center has specific instructions & details on what to do there. Follow directions!

~ Once you're finished, we'll be sharing our favorite ideas. Use this page as a cover page to keep track of your work!
