

Name: _____

Date: _____

Bridges & Buildings: Rubric (3rd)

Research Skills

I completed: _____ right-sides _____ left-sides

General: 1 2 3 4
neatness, use of time,

Right-Side Notes: 1 2 3 4
organization, follow format/directions, amount of information

Left-Side Thoughts: 1 2 3 4
depth of thought, shows all areas (importance, questions, wonders, connections, and ideas/theories)

Use of Resources: 1 2 3 4
use of books, articles, and websites

Production Skills

Product I made: Bridge Tower Other Structure

Information: 1 2 3 4
Obvious use of information learned during research

Creativity: 1 2 3 4
originality, consideration of multiple possibilities, use of materials

Work Habits: 1 2 3 4
use of time, planning time, neatness, use of materials

Independence: 1 2 3 4
self-direction, decision-making

PRODUCTION WORKSHEET

Bridge

Mostly Straws:			yes	no
Weight held: _____		lo	med	hi
Span requirement met			yes	no
Demonstrates knowledge gained	1	2	3	4
Quick Sketch:				

Tower

Height requirement met			yes	no
Wind tolerance		lo	med	hi
Earthquake tolerance		lo	med	hi
Demonstrates knowledge gained	1	2	3	4
Quick Sketch:				

Structure

Uniqueness of structure	1	2	3	4
Fits theme (beauty & strength)	1	2	3	4
Demonstrates knowledge gained	1	2	3	4
Quick Sketch:
