

TEAM FL

Building a better Florida to live,
work and play in 365 days a year!

**VOLUNTEER TO BE A TEAM FL
GENIUS INNOVATOR**

TEAM FL volunteers are registering voters across Florida, to make sure that Floridians have the **loudest voice possible in elections**.

Thousands of local citizens are eligible to vote, but won't be able to vote unless they get registered in time. And our efforts begin with 1 goal...

ENSURE 100% OF ELIGIBLE HIGH SCHOOL STUDENTS ARE REGISTERED TO VOTE!

THERE ARE HUNDREDS OF REASONS TO VOLUNTEER! HERE ARE JUST 3...

- Easily **earn 100+ community service hours** in less than 1 month, that you can use for graduation and scholarships.
- Work on community issues that give you experience needed to **get jobs with community leaders/government agencies**.
- Meet and network with well-known leaders who can **get letters of recommendation** written for you.

TEAM FL is a non-partisan team that works with Democrats, Republicans and everyone in-between to get citizens registered to vote and find innovative solutions to the challenges our community is facing!
