

GOING 2 COLLEGE PROJECT

Forget the Stress, Just Text!

What is it?

The Going 2 College Project sends text message reminders for important things like admissions, financial aid and application deadlines. Students, parents, counselors and mentors can use it to ensure they're on track!

How Does it Work?

Text the codes for your schools of choice to 898-211. You can opt-in to receive free* customized messages for up to 3 schools.

Then What?

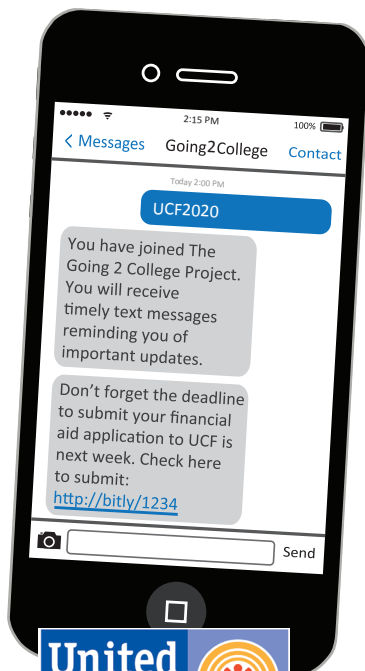

Watch for texts about important deadlines for applications, registration and financial aid. We'll also let you know about other important dates, like when your FAFSA application has to be completed.

*Standard texting fees may apply.
