

DIGITAL MEDIA 2

Course Description and Syllabus • Credit: 1.0

Instructor: Ms. Fotieo – Room 461
e-mail: georgia.fotieo@ocps.net

Office Hours: M-F: 7am; T & Th 2:15-3:00
Department: Business Technology

Phone: 407-956-8300 X4461
Website: teacher.ocps.net/georgia.fotieo

COURSE DESCRIPTION/GOALS: This course builds upon the skills learned in Digital Media 1. In addition to learning more advanced features in Photoshop, students will learn InDesign, Dreamweaver, and Illustrator. Students will use various formats and mediums as part of the planning and design process. Projects will include both printed and interactive digital format.

DIGITAL MEDIA ACADEMY MISSION STATEMENT: Prepare skilled digital media content creators for career and college opportunities in the field of digital media. All students enrolled in a Digital Media class are part of the Digital Media Academy. Academy students can earn industry certification as well as college credits which are discussed in this syllabus. Academy students will design artwork for various student design competition and will build portfolios of their work that can help students earn internships with local businesses who are part of our academy's board of directors.

COURSE DONATION: A lab donation of \$10 per student is requested to help cover the cost of paper, toner, maintenance and other supplies. Please make checks payable to: Lake Nona High School. Include your name on the memo line.

REQUIRED MATERIALS: Pens and/or pencils, paper, and one pocket folder with 3 hole storage (student provided). A flash drive is suggested, but not required.

TEXTS: *Adobe Photoshop CS4 Revealed*. (ISBN: 978-1-4354-8277-7) Publisher: Delmar/Cengage Learning and *Adobe InDesign CS4 Revealed* (ISBN: 978-1-4354-8267-8) Publisher: Delmar/Cengage Learning

COURSE REQUIREMENTS/TEACHING METHODOLOGY:

Lectures/Demonstrations- Important material from the text and outside sources will be covered in class. You should plan to take careful notes as not all material can be found in the texts or readings.

Assignments- Concepts Reviews, Skills Reviews, Independent Challenges and other projects and readings will be assigned to help support and supplement material found in the lessons. These assignments may require the application of various software applications.

Quizzes- Occasional scheduled or unscheduled quizzes will be given to help ensure you stay up with assigned material.

Exams- Chapter exams will be given. The exams will be closed book/note and will test assigned readings and material discussed in class. Class reviews precede all tests. The final exam will be comprehensive in nature.

GOLD SEAL SCHOLARSHIP:

The classes offered in the Business Technology department are all electives you can take to earn a Gold Seal Vocational (GSV) Scholarship which is part of the Bright Futures Scholarship. The GSV scholarship entitles you to approximately 75% of your college tuition in the state of Florida. To qualify you must have a(n):

- weighted GPA of 3.0 in your basic academic classes.
- Predetermined SAT or ACT scores.
- unweighted GPA of 3.5 in a series of THREE vocational classes. This course counts as one of the vocational courses under the Business Technology umbrella.

If you have already taken Intro to IT (or CCC) and Digital Media 1, you will have completed the course requirements (subject to GPA) at the end of this school year by taking Digital Media 2. See your guidance counselor for more information or visit <http://www.floridastudentfinancialaid.org/SSFAD/bf/>

GRADING POLICY: It is expected that all assignments be turned in on time. Late work is subject to a 20% penalty if turned in within 5 days. The student is responsible for obtaining missed assignments and/or material that may have been distributed during his/her absence from class by checking the digital daily agenda file on the classroom server. Students are expected to keep a folder containing notes, handouts, and completed assignments. This folder will be kept in the classroom. Letter grades will be determined using a standard point evaluation. Assignment point values will vary. Grades will be based on total point accumulation during the grading periods. Points will be earned by daily assignments, projects, exams/quizzes, attendance, and participation. Please use ProgressBook to track grades <https://parentaccess.ocps.net>.

CLASSROOM EXPECTATIONS: Students are expected to be on time and prepared for class and utilize lab time from start to finish. Each student is responsible for completing his/her own work. Class work will include independent as well
