

Rising 6th Grade Parent Night 5/3

Call Time: 5:30. If you are leaving & returning, be back in the band room by 5:30. If you are staying after school, check in with the Y (they can get numbers credit for us) and return to the band room. If you are staying after school you **CAN NOT** leave campus (i.e. **NO** 7-11 runs!!!). Also – there will be stringent expectations about what you will be doing in the band room from 4:00-5:30.

Performance time: 5:45-6:15 (maybe 5:40-6:10)

Pick-up time: 6:20

Concert Dress: Jazz T-Shirts & Jeans (NO SHORTS PLEASE!!!)

We will play Pre-Show as Parents enter from 5:45-6:00 (I might start us earlier if we're ready and there's an audience). At 6:00, Mrs. Jofre will start the official evening and we'll play a chart. After that I'll do my normal Parent Night shtick and we'll play another chart. We will clear our instruments & music from the stage (we can leave chairs, stands & big equipment on stage as we're playing here during 1st period on Friday). Students will then be dismissed from the band room by 6:20. I have to leave ASAP to get to the Boone Band Spring Concert – so please have a ride secured by 6:20.

5th Grade Visit #2

Call Time: 9:10 (or ASAP for bus riders). We will already be set up on stage – it won't take long to reset for playing.

Performance time: 9:45-10:10 (1st Period)

Concert Dress: Jazz T-Shirts & Jeans (NO SHORTS PLEASE!!!)

We will play Pre-Show as students enter from 9:30-9:45 (I might start us earlier if we're ready and there's an audience). This is a different format with only 2 schools vs the normal version of 7 schools. We'll be adjusting what we do on the fly.

At the end of the performance the 7th graders need to quickly re-set in the band room for Symphonic Band. The 8th graders will ensure the stage is clear. If we run into 2nd period I will take care of the student's tardies to 2nd period.
