

Our Exams are coming soon!

Beginning May 11th!

Our MAP tests are adaptive tests that adjust each question to the growth of the student. As a result, your child may encounter questions with on, below or above grade level skills!

Online testing skills:

Click the link below to see how we teach your child how to successfully take an online test. Remind your child to go slow, make careful choices and click on the speakers to hear answer choices.

http://warmup.nwea.org/mpg_student_menu.html

Also, remember to practice mouse skills on minimouse.us to help your child increase speed, accuracy and maneuverability while using a mouse.
