

Fluency Practice Calendar Nov 2017

What We Are Learning this Month:

Reading: Understanding parts of Text, Text and Graphic Features, Comparing Events and Characters Rhyming Words, Beginning Sounds, ALL Letter names and sounds. Sight words 26-50 (students should already know sight words 1-25).

Writing: Opinion writing using informational texts, Narrative writing using literature. Letters correctly written on a line, spacing, capital letters and end punctuation.

Language Arts: Print many uppercase and lowercase letters. Use frequently occurring nouns and verbs. Produce and expand complete sentences in shared language activities. Write a letter or letters for most consonant and short-vowel sounds (phonemes). Spell simple words phonetically, drawing on knowledge of sound-letter relationships.

Math: Compare numbers 1-10 (more, less, same, equal), **Identify and Classify Shapes** using names of shapes, and describe the relative positions of these objects using terms such as above, below, beside, in front of, behind, and next to. Correctly name shapes regardless of their orientations or overall size. Classify objects into given categories; count the numbers of objects in each category and sort the categories by count. **Count in Sequence 11-20** (Verbally count to 20 by ones starting at 1, Verbally count to 20 by tens starting at 0) Count forward beginning from a given number within 11-20 (instead of having to begin at 1). Read and write numerals from 0 to 20. Represent a number of objects with a written numeral 0 - 20 (with 0 representing a count of no objects).

Science: Properties of Matter (Sort objects by observable properties such as size, shape, color, temperature (hot/cold), weight (heavy/light) and texture. **Changes in Matter** (Recognize that the shape of materials such as paper and clay can be changed by cutting, tearing, crumpling, smashing, or rolling) **Earth in Space and Time** (Gravity, Day and Night Sky, Big & Small, Near & Far)

Social Studies: Chronological Thinking (Timelines), Historical Knowledge: Compare children and families of today with those in the past. Recognize and compare our national celebrations & holidays to other cultures.

Computers: PLEASE use i-Ready Reading and i-Ready Math at home as well as in school. Log on to computers using our login numbers and password numbers. Our passwords are glued on the front inside page of our planners!) <https://launchpad.classlink.com/ocps>

If your child is struggling with a computer mouse, a mouse touchpad or a keyboard, PLEASE use minimouse.us for mouse handling practice, and please correct your child's grip on the mouse when necessary!

NOVEMBER Academic Fluency Practice Calendar

The fine print ... FIND 3 Clown Smiley Faces :O) in this homework calendar, tell Mrs. Crocker the dates & WIN a treasure box prize!

Academic Fluency practice is recommended for ALL students.

Please practice the following as needed to be fluent. (Fluent means reading/writing with no hesitation!):

- Recognizing & printing Uppercase and lowercase letters **CORRECTLY**.
- Recognizing Uppercase and lowercase sounds – including **short and long vowels!**
- Reading Numbers **0-20** and dot cards **0-20**, printing **0-20 correctly!**
- Sight Words: 26-50 (2nd set of 25 words) Students are expected to know 40-50 Sight Words by December 15. (Is your child ready to go further? See the links below!)

OCPS Kindergarten Fluency Expectations per quarter (link below)

<https://www.ocps.net/lc/north/ewl/facstaff/Documents/Kindergarten%20ELA%20Grade%20Level%20Expectations%20and%20K%20Word%20List.pdf>

All Writing Assignments below are optional. Students earn Treasure Box prizes AND get to PIN their writing to our Classroom "PINterest" board – where we PIN the things we "like"!
