<u>Reading</u>: Author and Illustrator roles, ask and answer questions about unknown words in a text. Rhyming Words, Beginning Sounds, ALL Letter names and sounds.

<u>Writing</u>: Our first and last names, Letters correctly written on a line, spacing, capital letters and ending punctuation.

<u>Language Arts</u>: Print many uppercase and lowercase letters. Use frequently occurring nouns and verbs. Produce and expand complete sentences in shared language activities. <u>Math</u>: Represent, Count, and Write Numbers 0 to 10: Verbally count to 10 by ones starting at 0. Count forward beginning from a given number within the known sequence (instead of having to begin at 1). Read numerals from 0 - 10. Write numerals from 0 - 10. Represent a number of objects with a written numeral 0 - 10.

<u>Science:</u> Use The Practice of Science: Collect information, Make observations, Keep records, Representation, Careful observation. Record observations of investigations & experiments.

<u>Social Studies:</u> Historical Knowledge: Compare children and families of today with those in the past. Recognize and compare our national celebrations & holidays to other cultures.
