

Fluency Practice Calendar October 2018

What We Are Learning this Month:

Reading: Author and Illustrator roles, ask and answer questions about unknown words in a text. Identify parts of a book. Recognize common types of texts (e.g., storybooks, poems, informational texts). Rhyming Words, Beginning Sounds, Practice ALL Letter names and sounds.

Writing: Our first and last names, Letters correctly written on a line, spacing, capital letters and end punctuation. Use a combination of drawing, dictating, and writing to name what they are writing about and supply some information about the topic. Use a combination of drawing, dictating, and writing to tell a reader the topic or the name of the book they are writing about and state an opinion or preference about the topic or book (e.g., My favorite book is . . .).

Language Arts: Print many uppercase and lowercase letters. Use frequently occurring nouns and verbs. Produce and expand complete sentences in shared language activities. Write a letter or letters for most consonant and short-vowel sounds (phonemes). Spell simple words phonetically, drawing on knowledge of sound-letter relationships.

Math: Represent, Count, and Write Numbers 0 to 10: Verbally count to 10 by ones starting at 0. Count forward beginning from a given number within the known sequence (instead of having to begin at 1). Read numerals from 0 – 10. Write numerals from 0 – 10. Compare numbers 1-10.

Science: Changes in Matter; Forms of Energy: Vibrations; Use The Practice of Science: Collect information, Make observations, Keep records, Representation, Careful observation; Record observations of investigations & experiments.

Social Studies: Locate and describe places in the school and community. Describe the relative location of people, places, and things by using positional words. Explain that calendars represent days of the week and months of the year. Describe and give examples of seasonal weather changes and illustrate how weather affects people and the environment.

Computers: Learning to log in on the computers ALONE using our login numbers and password numbers. (Please practice this at home too! Our passwords are glued to the page just before page 1 of our planners!) Learning to use a computer mouse and a mouse touchpad. Use minimouse.us for mouse handling practice, and please correct your child's grip on the mouse when necessary!
