

September Homework Calendar

Academic Fluency Practice (homework) is recommended for ALL students.

The fine print ... FIND 3 Clown Smiley Faces :O) in this homework calendar, tell Mrs. Crocker the dates & WIN a treasure box prize!

Please practice the following **as needed to be fluent (reading with no hesitation!)**:

- Recognizing and printing Uppercase and lowercase letters.
- Recognizing Uppercase and lowercase sounds – including short and long vowels!
- Numbers 0-10 and dot cards 0-10
- Sight Words: 1st 20 words! (Is your child ready to go further? See the links below!)

All Writing Assignments below are **optional**. Students earn prizes AND get to PIN their writing to our Classroom “PINterest” board – where we PIN the things we “like”!

Homework Fluency Practice Calendar September 2018

What We Are Learning this Month:

Reading: Rhyming Words, Beginning Sounds, Story order: beginning, middle and end, Main Idea. Parts of a book – front cover, back cover, title page, author, illustrator

Writing: With guidance and support from adults, explore a variety of digital tools to produce and publish writing - both on computers and in Academic Notebooks - in collaboration with peers.

Language Arts: Print many uppercase and lowercase letters. Use frequently occurring nouns and verbs. Produce and expand complete sentences in shared language activities. Write a letter or letters for most consonant and short-vowel sounds (phonemes). Spell simple words phonetically, drawing on knowledge of sound-letter relationships.

Math: Represent, Count, and Write Numbers 0 to 10: Verbally count to 10 by ones starting at 0. Count forward beginning from a given number within the known sequence (instead of having to begin at 1). Read numerals from 0 – 10. Write numerals from 0 – 10. Represent a number of objects with a written numeral 0 – 10.

Science: Use The Practice of Science: Collect information, Make observations, Keep records, Representation, Careful observation. Study My Five Senses: Describe the five body senses including seeing, hearing, tasting, feeling (touch), and smelling. Match each body sense to its associated sense organ.

Social Studies: Rules, Laws, and Citizenship: Define and give examples of rules and laws, and why they are important. Explain the purpose and necessity of rules and laws at home, school, and community. Describe fair ways for groups to make decisions. Demonstrate the characteristics of being a good citizen. Demonstrate that conflicts among friends can be resolved in ways that are consistent with being a good citizen.
