

2nd Grade News

Week of September 21-
September 25

Reading/Language Arts

This week we will combine everything we've been learning over the last few weeks. The students will perform reader's theatre scripts of several different fables. As a class, we will work together compare and contrast the character traits and morals found in each fable. To wrap up our unit, we will write our own fables!

Phonics:

- Silent-e/Long Vowels e, o, u
- Hard g (gap) and Soft g (giant)

Language Arts:

- Nouns
- Friendly Letters
- Context Clues

Important Dates

September 24- Open House

September 25- Picture Day
and Progress Reports

October 1- Donuts with Dad

Math

We completed our 1st math chapter on number concepts and took our test on Friday. These tests will come home as soon as they are graded.

In chap. 2 we will explore numbers to 1,000. This unit is very much like chap. 1, but actually goes deeper into place value concepts as we write, express, and compare numbers up to 1,000.

Please take time with your child each night to go over the homework assignments. This will help to ensure their complete understanding of the digits and their values.

Social Studies/Science

This week in science we will be learning about how scientists investigate to answer questions and solve problems. We will also learn how to make a model when solving problems.

Nurse Amy is requesting that all students keep a change of clothes in their backpacks in case of an emergency. Thank you!

2nd grade has Open House this Thursday, September 24th from 5:30-6:15. Each teacher will give a short presentation about classroom routines and procedures, and you will also get to look around the room and admire some of your child's work. We hope to see you there!
