

2nd Grade News

Week of January 18-
January 22

Reading/Language Arts

This week we will learn how “unpack” a question in order to determine a purpose for reading. We will collect text evidence to support our opinion and then organize it into a cohesive paragraph. By doing so, we will be reading at a much deeper level.

You can learn more about this technique by attending Curriculum Night this Thursday, January 21st.

Phonics: Words with Long o (o, oa, ow)
Language Arts:

- Proper Nouns
- Opinion Writing

Important Dates

Thursday, January 21st-
Curriculum Night

Thursday, January 28th-
Spaghetti Dinner

Math

We are nearing the end of Chap. 5 (subtracting with regrouping). We will be ready to take the test by the end of this week (Friday) Look for a review to come home Thursday night, and practice, practice, practice! Remember, there are numerous strategies that go with this skill. Students should be familiar with all strategies and be able to show the steps to take in solving subtraction problems. They should also be able to explain their thinking as they take steps to solve.

Social Studies/Science

Our social studies will be integrated into our reading as we discuss different aspects of culture and how an author uses culture to enhance the Cinderella story and make it unique.

Please plan to attend Curriculum Night this Thursday at BME. This is an opportunity for parents to hear and enjoy numerous presentations from BME teachers on different aspects of the curriculum. Chic-fil-A will be available on a pre-pay basis, and will be served starting at 5:30. All orders must be turned in by tomorrow morning (Wed.) Presentations will begin at 6:30. There will be 3 rotations (6:00, 6:30, and 7:00)

Hope to see you all there!
